

## **Important Update for Monthly Parkers**

### **Upcoming Waterfront Access Pass Changes**

As of June 1, 2018, we are implementing some changes to the parking program on the Halifax waterfront, in an effort to provide a balance of options for both long-term and short-term parking.

Our goal is to offer a mix of parking options that provide capacity to support local business and visitors while still providing important monthly parking alternatives.

#### **Monthly Rate:**

The current monthly rate of \$140/month (taxes included) will increase as of June 1, 2018, to \$150/month (taxes included). This is the first rate increase since 2011, and is comparable to similar offerings in the downtown core.

Parking revenue is reinvested into the waterfront to support family friendly events, amenities, partnerships, and operations.

#### **Waterfront Access Pass Locations:**

As of June 1, 2018, please note that your monthly Waterfront Access Pass will now be valid at:

#### **Salter Lot (1521 Lower Water Street) and Cunard Lot (1325 Lower Water Street)**

These lots provide more than 500 parking spots and are both within minutes of the downtown core.

Foundation Place will be available for short-term parking (hourly and overnight flat rate) only.

In the event one of the lots regularly available for monthly parking is closed for an event (or otherwise), please note that Foundation Place, 1549 Lower Water Street will be available for monthly parkers during those dates. We will continue to provide notification of upcoming lot closures so you can plan accordingly.

We appreciate your continued support as we balance parking options to support our local businesses, visitors, and you, our monthly parkers.

If you are **not** planning to continue with your monthly parking, please notify us by May 18, 2018.

Please contact us at [park@wdcl.ca](mailto:park@wdcl.ca) or 902.422.6591 if you have any questions.

**Registered monthly parkers can park 24/7 at:**

Salter Lot	1521 Lower Water St.
Cunard Lot	1325 Lower Water St.

**Spaces are available on a first-come basis.**

Charges are for use of parking spaces only.

Waterfront Development assumes no responsibility whatsoever for loss or damage due to fire, theft, collision or otherwise to persons or property however caused.

Vehicles parked without a registered license plate will be ticketed and/or towed at the owner's expense. Any program changes will be emailed to parkers. Please ensure we have your email address on file.
